CORE PRODUCT

Boswellia Extract & AKBA 10-90%

Derived from the resin of the *Boswellia serrata* tree, this ancient Ayurvedic ingredient is renowned for its potent anti-inflammatory properties. Its active compounds, known as boswellic acids, help inhibit inflammatory enzymes, making it a popular natural remedy for joint pain, arthritis, and chronic inflammation. It is also studied for its benefits in gut and respiratory health.

CORE PRODUCT

Bacopa Extract USP/EU

A staple of traditional Ayurvedic medicine for centuries, Bacopa monnieri is a powerful herb celebrated for its remarkable cognitive-enhancing properties. Its active compounds, known as bacosides, help enhance nerve signaling and protect brain cells from oxidative stress, making it a popular natural remedy for improving memory, focus, and mental clarity. It is also studied for its adaptogenic properties, helping the body manage stress and anxiety.
